

DIY Fairy Guitar

What you'll need:

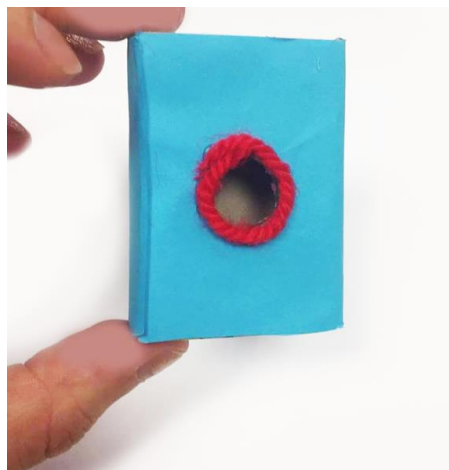

- Match box
- 3 Craft Sticks
- Elastic band
- Glue & scissors
- Coloured paper/card
- Small piece of yarn
- An adult to help!

Instructions:

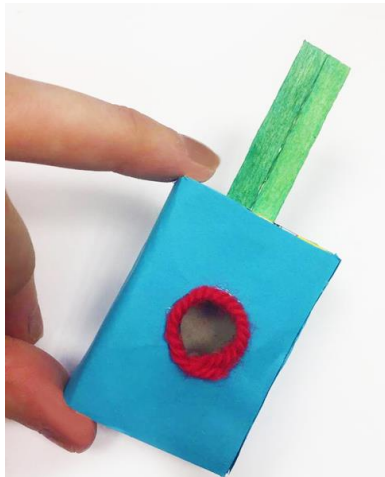

1. Cut a circle in centre of matchbox as shown

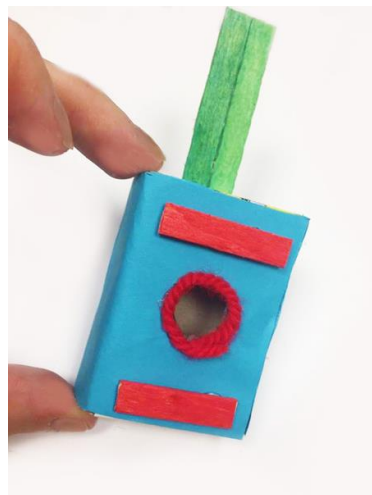

2. Cover the matchbox in coloured card, then glue yarn around outside of the circle

3. Stick two craft sticks together as shown and stick in the back of matchbox

4. Cut the remaining craft stick into two short sections and stick them to the front of the matchbox, above and below the circle as shown

5. Cut the elastic into the correct length and glue over the circle to make the strings!

6. Decorate any way you want and place outside your fairy's door as a special surprise!
